Dear Sir

## Re: Movice / Greencastle Sewage Scheme

Loughs Agency has been contacted by a number of stakeholders in relation to the above scheme and would be grateful if you could indicate if a current application or current licence is present. Could you advise what the future plans are in relation to managing and monitoring any proposed scheme and where in process this scheme is in terms of any application process.

I look forward to your reply and would be happy to meet you in relation to this matter.

Yours sincerely

John McCartney  
**Director of Conservation and Protection**
